

Doug Hipsher is a member of the Clover Valley 4-H club and graduated Valedictorian from South Shore High School this summer. He is currently working full time commercial fishing and learning to captain his own boat. He is thankful for all the great experiences he's had with 4-h thru the years. He would like to thank Iron River Co-op, Lulich Implement, The Safari, Bear Shoe Works, Midland Services and Hood Equipment for purchasing his past steers.
