

My name is Emma Coffland and I am 17 years old. I will be a senior at the Ashland High School. I enjoy being outside, riding my horse, working with my steer and being with my friends and family. This will be my 4th year selling a market steer. My steer this year is a crossbred and is named Bubbles. We have faced many challenges this year, but I have enjoyed having the opportunity to spend more time working with Bubbles. I would like to thank my previous buyers, Northern State Bank, KBK Services and Northland Lawn and Sport.
