

Hi, my name is Hannah Galligan, I am 17 years old, will be a senior at Ashland High School, and am a member of the Ino Valley 4-H club. I enjoy working on my family farm, tractor pulling, riding my horses, and working with my animals. I have been showing animals for 9 years and have been part of the market sale for 3 years.

The thing I like most about the market sale is the experience of raising and selling an animal. Raising an animal for the market sale has taught me responsibility, communication, dedication, and hard work.

I would like to thank White River Ag Products and Grymala Farms for buying my past animals. I would also like to thank my parents and grandparents for all their support throughout the years.
