

Drew Tuttle Drummond Explorers 4-H Club: Drew is 17 years old and will be a senior at Drummond High School. He spent last year in Australia as an exchange student and missed the 2019 fair. Drew says living near the ocean and being able to surf every day in Australia might have been a good trade for not having to raising a hog. Drew is looking forward to his senior year at school and getting re-acquainted with everyone. "I am excited to be back, but am certainly missing being at the fair and Market Sale with my friends".
