Harvest requirements:

- Sale is being sold on a Ticket Scale Basis
- Access through the Hills Mills Road gate will require a gate key to be obtained from the Bayfield County Forestry Dept.
- Private property borders the south side of the sale. Property boundaries are marked in blue paint. No equipment or trees may cross the blue line.
- Sale boundaries and internal boundaries consist of red paint lines or an abrupt change in timber type.
- Whole tree harvesting is allowed. If harvest will utilize the whole tree, 1 in 10 tops must be left scattered across the site.
- **Unit A (clearcut):**
 - LEAVE all conifer and yellow birch
 - CUT all trees 2" and greater.
- **Unit B (overstory removal):**
 - LEAVE all conifer.
 - CUT all trees 2" and greater
- **Unit C (single-tree selection):** There are purple painted canopy gaps in Unit C (6-8 two dot purple painted trees on perimeter facing in towards the gap).
 - LEAVE all purple-marked trees, all conifer, and yellow birch.
 - CUT all merchantable trees and sever all trees 1" diameter and greater within the purple painted canopy gaps.
 - CUT all orange-marked trees.
 - CUT all white birch and aspen.
- Do not cut snags, except those that pose a safety hazard to logging operations.
- Prior to moving equipment on to or off of the sale area, scrape soil and debris from exterior surfaces.
- This contract requires County authorization for all road/landing construction from Bayfield County, and places a number of other requirements on road construction and closure.
- Decking of wood along Town roads will not be allowed without permission from Bayfield County.
- Do not damage any survey monumentation.
- No sale operations permitted between breakup and July 15th to reduce potential insect concerns.
