Regen Code: Planting at rotation age	Tract Number: 45-13													
Topography: gentle rolling	Contract Number:													
Scale: 4 in. = 1 mile														

Harvest requirements:

- Sale is being sold on a ticket scale basis. Whole-tree harvesting and/or utilization of tops less than 4" diameter will not be allowed.
- Cut all hardwood and jack pine within the sale area down to 2 inches DBH. Harvest all trees marked with orange paint. Leave all white spruce.
- Do not cut snags, except for those that pose a safety hazard to logging operations.
- Prior to moving equipment to and from the sale area, scrape soil and debris from exterior surfaces.
- This contract requires County authorization for all road/landing construction, and places a number of other requirements on road construction and closure.
- Decking of wood along town roads will not be allowed without permission from Bayfield County.
- Do not damage any survey monumentation.
- Harvested pine cannot be kept on the Bayfield County Forest for more than three weeks from May 1st to August 31st.
