## Harvest Requirements:

- Sale contains multiple clearcut units being sold on a Ticket Scale Basis.
- Sale boundaries consist of red paint line, orange paint line and blue paint line.
- The blue paint line indicates private property, no equipment or trees may cross the blue line except at designated access points.
- Swamp Hardwood Unit: Harvest all merchantable stems except white pine, red pine, hemlock and cedar
- Swamp Conifer Strip Clearcut Unit: Harvest all merchantable stems except hemlock and cedar.
- Swamp Conifer Clearcut Unit: Harvest all merchantable stems except cedar, hemlock, red pine and any purple marked trees (birch, oak, spruce, white pine)
- Sale operations may only occur when the ground is frozen.
- Bayfield County is attempting to secure access through private property. The proposed route is indicated on the map. If access cannot be secured some road construction may be needed.
- Do not cut snags except for those that pose a safety hazard.
- To comply with the Best Management Practices for Invasive Species: Prior to moving equipment onto or off of the sale area, scrape or brush soil and debris from exterior surfaces to the extent practical.
- Decking of wood along town roads will not be allowed without permission from Bayfield County.
- If harvest will utilize the whole tree, 1 in 10 tops must be left scattered throughout the sale.
- This contract requires County authorization for all road/landing construction and places a number of other requirements on road construction and closure.
- Do not damage any survey monumentation
