## Harvest requirements:

- This is a ticket sale.
- This is a clear cut in a natural red pine stand with average diameter of 18 inches.
- Whole-tree harvesting and/or utilization of tops less than 4" diameter will not be allowed.
- All stems must be severed, including snags, hardwood, and pine 2" dbh and larger.
- Do not damage any survey monumentation.
- Prior to moving equipment on to or off the sale area, scrape or brush debris and soil from exterior surfaces.
- Cut all snags within the sale area.
- All roads are in place. This contract requires county authorization for all road/landing construction and places a number of other requirements on road construction and closure.
- Decking of wood along town roads will not be allowed without permission of Bayfield County.
- Harvested pine cannot be kept on the Bayfield County Forest for more than three weeks from May 1<sup>st</sup> to August 31<sup>st</sup>.
