## Harvest requirements:

- This is a ticket sale.
- Property boundary on north is marked with blue paint. Other boundaries marked with red paint lines.
- Permission has been obtained by Bayfield County Forestry and Parks Dept. to access sale through private parcel, as indicated.
- Harvest in DRY or FROZEN season only, as determined by the sale administrator.
- Cut all hardwood trees 6" diameter and larger, EXCEPT do not cut purple-marked trees.
- If the whole tree will be utilized, leave one in ten tops scattered throughout the stand.
- Sale may be whole-tree harvested but not whole-tree skidded, unless logger can demonstrate to Timber Sale Administrator that whole-tree skidding will not damage the residual sapling stand.
- MINIMIZE DAMAGE to abundant saplings smaller than 6" diameter, to the satisfaction of Timber Sale Administrator.
- Do not cut hemlock, cedar, spruce, or pine.
- Do not deposit slash into adjacent wetlands.
- Do not damage any survey monumentation.
- Prior to moving equipment on to or off the sale area, scrape or brush debris and soil from exterior surfaces.
- All roads are in place. This contract requires county authorization for all road/landing construction and places a number of other requirements on road construction and closure.
- Decking of wood along town roads will not be allowed without permission of Bayfield County.
