TRACT 23-19 – HARVEST REQUIREMENTS

The following terms and conditions supplement those provided in the Bayfield County Timber Sale Contract.

A. PRESCRIPTION:

1. Harvest unit A has an overstory removal prescription with an estimated average residual basal area of 12 ft².

B. HARVEST REQUIREMENTS:

1. In harvest unit A, harvest all hardwood stems 4 inches dbh and greater not marked with purple paint. Leave all conifer.

C. OPERATIONAL REQUIREMENTS AND SEASONAL RESTRICTIONS:

1. Sale boundaries consist of roads, trails and red paint line
2. There are numerous wet areas throughout the sale area, as indicated on the map. Do not harvest any trees in the wet areas or within 30 feet of the wet areas. No felling of trees in to these areas or equipment operation within them will be allowed.
3. This sale is an overstory removal. Minimize damage to advance regeneration. Harvest activities will be temporarily stopped if damage to regeneration is deemed to be excessive, as determined by the county.
4. In 2018, oak wilt was officially confirmed in Bayfield County. Currently this timber sale is located more than six miles away from the closest known infected tree. However, over the duration of this contract, additional infections could be discovered. If, over the duration of this contract, including extensions, oak wilt is officially confirmed within a six-mile radius of this timber sale, as determined by the county, the following seasonal restrictions will be applied: no harvesting operations will be allowed between April 15 (or as otherwise determined by the county) and July 15
5. Whole tree harvesting and/or utilization of tops (≤ 4 " diameter) will not be allowed.
6. Do not cut snags except for individuals that pose a safety hazard.
7. Do not damage any survey monumentation.

D. ACCESS AND ROADS:

1. This contract requires County authorization for all road/landing construction and places a number of other requirements on road construction and closure.
2. Decking of wood along town roads will not be allowed without permission from Bayfield County.

E. OTHER:

1. To comply with Best Management Practices for Invasive Species: Prior to moving equipment onto or off the sale area, scrape or brush soil and debris from exterior surfaces to the extent practical.
